## **Ebenezer at this Church Anniversary**

In 1 Samuel 7:12, the prophet Samuel put a rock between two places - Mizpeh and Shen. He called it Ebenezer which meant "a stone of help" because it was at that place, that God helped them.

The Israelites had just won a big victory over the Philistines. Prior to that, Samuel had led them in repentance for their sins against God.

Upon repentance, God delivered them from their enemies. It would be years before they attacked again.

### *There Was Sorrow Before Triumph*

But that field on which the monument was erected was significant. 20 years before the stone was laid, Israel experienced great trouble at that field.

Hophni and Phineas, the sons of Eli, were slain on that field. The ark of God was taken by the Philistines, and Israel was defeated in battle there.

It was a defeat they remembered. The kingdom of God - his church on earth - will experience defeat from time to time.

Hophni and Phineas were priests. But they were punished for their sins. They kept the best parts of the sacrifices for themselves and had their way with the women of Israel. God was provoked!

The church of God will at times experience defeat because of the sins of God's people, who are his priests.

Like Hophni and Phineas, we have not done right. We have rested in our service - serving in our own strength, praying without faith, and working to receive a reward.

As such, there had been casualties. The spot reminded them of their failures.

The spot also reminded them of their sadness. When Eli heard about his sons' deaths, he fell backward and broke his neck.

When Phineas' wife gave birth, she named her son Ichabod - to signify the departing of God's glory.

Not only had the ark been taken, but their harvests had been stolen. Israel had 20 years of bitter sorrow.

The church of God will know sorrow from time to time.

But it was also their place of repentance. They came together to confess their sins & remove their idols.

Perhaps at this anniversary, as we praise God, we need to recall our defeats, remember our sorrows, and come to God in repentance.

Spurgeon said, "*On earth penitence and praise must always sing together. Just as in some of our tunes there are two or three parts, we shall always need repentance to take the bass notes while we are here...*"

Despite the sin, trouble, and weakness, they triumphed because of repentance.

### *There Was Weakness Before Triumph*

When the whole nation came together, the Philistines suspected a revolt - even though they came together to repent and worship.

As such, the Philistines attacked. But they were attacking unarmed people.

When Israel heard this, they were distraught. What should they do? They were unarmed! So Samuel took the only weapon he knew. He offered a lamb and asked God for help.

What could they do in their weakness? They could neither fight with swords - for they had few; nor assemble the people to fight - who were comprised of women and children.

They were weak. But in their weakness before God, and offering a lamb, God was strong.

God responded by confusing the Philistines with thunder. And while the Israelites heard the thunder, they were not confused.

They used the confusion, chased the Philistines and finally defeated them at a

place called Bethcar - the House of the Lamb!

If we are to win at all, it must be from a position of weakness - and Christ must win the battle for us.

It was by surrender to God and by prayer that the battle was won.

Triumph does not come when we do not pray. Triumph does not come when we assert self. It comes from a position of weakness.

*There Was Understanding After the Triumph*

After Israel triumphed, they built the monument. There were three things that they realized that day.

Firstly, they realized God helped them. By calling it Ebenezer, they acknowledged that God was their stone of help. It was he who destroyed their enemies.

Yes, Israel had picked up swords and pursued the Philistines. But without the thunder and confusion, they would not have been able to win.

Secondly, they realized that God had always been helping them.

They acknowledged that "*hitherto hath the Lord helped us.*" It was hitherto - *thus far* had God helped them!

Even the past 20 years when they experienced great trial, sorrow, weakness, and sin - they knew God had not departed from them. The ark of God

might have been taken, but the presence of God never departed.

Often, when we see problems in God's kingdom, we are quick to forget that God is still with us. We may want to give up. But he is leading us through the problems.

Thirdly, they also realized that God would continue to help them.

Hitherto had God helped them. But the journey was not done! There would be more trials, joys, temptations, triumphs, prayers, and answers.

Things would not be all smooth sailing after they laid the monument - there would be more trouble. And there was. A lot!

This is often difficult news to accept. Especially if God's people and church are going through problems. "This is not the end?! And if we triumph over this, there will be more problems?"

Yes. And yes.

This is why, because God has helped, because he is our Ebenezer, we must gird up the loins of our minds and to be sober, and to continue in the work of repentance and sacrifice.

There is much to do in kingdom building - but nothing more important than the works of repentance, surrender, and remembrance.

May God give us grace to remember Christ and rely on him.

## Safe Through Shipwreck

Acts 27:1-44

Have you ever experienced anxiety because of life's circumstances? The natural man reacts with despair. The Spirit controlled man reacts with grace. Paul faced many problems. But he was confident that God would see him to the end - that he would be safe from shipwreck.

1. It Is Always a Difficult Journey
  - a. What starts well may not continue well
  - b. Despite precautions taken, success is never guaranteed
  - c. What is bad can become worse
  - d. There will be many false hopes
2. Our Response to Difficulty
  - a. The dominant natural response
    - i. Preserve wealth
    - ii. Preserve life
  - b. The trusting spiritual response
    - i. Demonstrated wisdom and common sense
    - ii. Showed compassion
    - iii. Gave Assurance
3. The Source of Our Safety and Confidence
  - a. The faith of Jonah and Paul
  - b. God gave his best, he will supply the rest

Many of us wrongly judge the shipwreck in our lives to be our problems and we do all we can to save ourselves, our wealth, and our lives. By so doing, we shipwreck our faith. Never fear the shipwrecks in life more than the shipwreck of our faith. "For whosoever will save his life shall lose it: but whosoever will lose his life for my sake, the same shall save it."

### Questions for Reflection:

1. Do you fear the shipwreck of your life more than the shipwreck of your faith? Why or why not?
2. What is your particular *typhonikos* now and how can you demonstrate faith, wisdom, compassion, and assurance?
